

La Paloma

Designed and manufactured in Europe, the La Paloma range is the ultimate in elegance and sophistication. The lines are sharp and clean, and the colours deep and rich – the whites are whiter, the blacks are blacker. These authentic Mediterranean bricks will add grace and style to any home.

Variations in colour, texture and size are natural characteristics of clay products and production variations can occur from batch to batch. Whilst every effort is made to provide samples, brochures and displays consistent with product delivered to site, they should be viewed as a guide only.

We recommend the use of trade mortar with the La Paloma range of clay bricks.
