

Magnum

2021

The exaggerated aesthetic and block size of the bricks in the Magnum range will truly set your new home apart. Yet their 70mm width still allows for them to be laid on a standard foundation footing.

French Brie by Austral Bricks 290 x 162 x 70mm

Chai Latte by Austral Bricks 290 x 162 x 70mm

Kingston by Austral Bricks 290 x 162 x 70mm

Variations in colour, texture and size are natural characteristics of clay products and production variations can occur from batch to batch. Whilst every effort is made to provide samples, brochures and displays consistent with product delivered to site, they should be viewed as a guide only.
