

San Selmo Smoked

Kiln-fired in Italy, San Selmo Smoked clay bricks offer a subtle tonal palette designed specifically for contemporary architectural projects. The range is characterised by an elegant and carefully graduated selection of colours from pale hues through to the steely blue-greys.

Variations in colour, texture and size are natural characteristics of clay products and production variations can occur from batch to batch. Whilst every effort is made to provide samples, brochures and displays consistent with product delivered to site, they should be viewed as a guide only.
